GOTAFE Goulburn Valley League (GVL)
2021 Season COVID Guidelines

1. **Overview of Document**

- a. These guidelines have been established to provide stakeholders with an overview of the changes that have been implemented for the 2021 season of Community Club Netball. Given a number of rules will apply for this potentially this 2021 season only, an addendum to the Bylaws was deemed more appropriate than Bylaws changes that will be required to be reversed at the end of the season. The regulations here will only apply for the 2021 season. Depending on prevailing conditions at conclusion of the season, they may be modified and extended into future seasons.
- b. These Guidelines should be read in conjunction with the following pre-existing documents:
 - i. Netball Victoria Regulations
 - ii. Victorian State Government Guidelines
 - ii. League specific documents such as:
 - A. Bylaws
- c. In the event there is a conflict between the pre-existing documents outlined in 1(b), these Guidelines shall prevail.
- d. The COVID-19 2021 Season Guidelines is an evolving document and may be subject to change at any time, by the Goulburn Valley League.

2. **COVID Safety Compliance**

- a. Clubs shall be responsible for ensuring all relevant Club personnel familiarise themselves with the AFL Victoria [Return to Training and Games Protocols](#), Netball Victoria guidelines and all State Government restrictions and protocols relating to community sport.
- b. Clubs must appointment a minimum of one (1) COVID Safety Officer, who must complete the free 20 minute [COVID-19 infection control training](#), submit the certificate of completion to their league administrator, and be responsible for ensuring all COVID protocols are adhered to, including taking an attendance register.
- c. It is recommended that Clubs encourage all participants to download the COVID-SAFE App.

3. **Positive Case Implications**

- a. If there is an occurrence of a positive or suspected case of COVID-19 at your club, the health authorities, your clubs COVID Safety Officer and the League Administrator should all be notified and the process detailed in AFL Victoria's Suspected COVID Case Response Plan (see appendix) should be followed.
- b. Cancellation or Suspension of Matches - If a team is unable to participate in a designated fixture due to COVID-related medical reasons, the club must submit to the Competition Management Committee any available evidence (i.e. number of players affected, medical certificates etc.).
- c. In such circumstances, the Competition Management Committee will determine the outcome of the match in line with league specific by-laws.
- d. Such determination will factor in minimum player numbers, squad availability, player eligibility and notification timeframes as a basis for decision.

4. **Competition Management Committee**

- a. The Competition Management Committee will be a body comprised of Goulburn Valley League executive members and/or external independent individuals to determine the outcome of matches affected by COVID-19 related incidents.
 - b. The Competition Management Committee will at its earliest convenience determine the findings of any COVID-19 affected match and communicate these decisions to the affected clubs, competition and other league stakeholders.
5. **Factors to be considered when determining COVID-19 affected match outcomes / alternatives**
- a. Number of affected players / officials from each team;
 - b. Match result history of previous matches between the same competing teams;
 - c. For finals matches, the ladder position of a team at the conclusion of the H&A season;
 - d. The willingness and option of affected teams to play match at an alternative time in the season;
 - e. The impact that a match's results will have on the overall competition;
 - f. Where umpire's availability is impacted from COVID-19 incidents, the viability of pursuing alternative match referee options, including but not limited to the use of club umpires;
 - g. Any other determining and relevant factors as deemed appropriate by the Competition Management Committee.
6. **Potential outcomes of COVID-19 affected match determinations**
- a. Splitting of premiership points amongst competing teams with team sheets able to be submitted;
 - b. Determination of a match winner based on factors listed in point 5 above;
 - c. Where teams in the competition play in an uneven number of matches, teams may be positioned on the ladder by "Winning Percentage" in place of total premiership points accrued. The "Winning Percentage" is percentage of team wins against matches played (draws will be 0.5 of a win). Where more than one club has the same "Winning Percentage", those clubs will be positioned on the premiership ladder in order of percentages calculated from the points scored for and against, by such clubs;
 - d. Rescheduling of match;
