Part B - Dispensation requirements to be met		
<b>The Club is to read and acknowledge that it understands the following requirements which apply to an application for Age Dispensation to play down a Grade, as set out in Section 4 of the National Community Football Policy Handbook.</b>	An application for dispensation to play down a Grade may only be made on the basis of a disability or <i>physical</i> size considerations.	
	Any application on the basis of a disability must be supported by a current medical certificate from a medical specialist appropriately qualified in the area of practice relevant to the disability. The certificate is to detail the nature of the Player's disability, describe how the disability impacts the Player's capacity to participate in an age group commensurate to their age and state any other reasons for supporting the application for dispensation which directly relate to the dispensation being sought.	
	An application on the basis of physical size considerations must be supported by a current medical certificate confirming that the player's Body Mass Index ('BMI') is below the 5th percentile for the player's age or the player's height is below the 5th percentile for the player's age.	
	<p>The application under either ground must also detail:</p> <ul style="list-style-type: none"> <li>(i) The effect of the Player's disability or physical size considerations on their capacity to effectively participate in Australian Football, in particular, their capacity to participate against the oldest Players in their age group;</li> <li>(ii) How it is proposed that the approval of age dispensation will support the Player to overcome any barriers to their effective participation in Australian Football arising from their disability or physical size considerations.</li> <li>(iii) The availability of other assistance to the Player to enable them to effectively participate in Australian Football;</li> <li>(iv) How the participation of the Player in a lower age group will not adversely impact the safety and welfare of the Player and those Players in that lower age group.</li> </ul>
